

[Living Word Broadcast](#) offers free downloads of William Branham's sermons in audio and text formats for use on an [iPod](#) or other portable media players that support AAC/MPEG audio encoding (for the audio files) and Rich Text Format for reading the sermon text.

These audio files may also be played on Winamp, RealAudio, or Windows Media Player. Since the files are downloaded by the year, they will take a long time to download.

To download, mouse over "William Branham" on the top menu bar, then click on "Downloads" and follow their instructions.
